A new title Exploring Strategy, rather than Exploring Corporate Strategy reflects that this book is for all kinds of business; small start-ups, non-profit, public sector, and not just for large international corporations. A new chapter on Mergers, Acquisitions and Alliances. A crucial feature of contemporary business and an important method for strategies such as diversification and internationalisation.

Johnson, Whittington & Scholes, Exploring Strategy | Pearson

The book I read to research this post was Exploring Corporate Strategy by Gerry Johnson et al which is a very good book which I bought from a car boot sale. This book which is the 2nd edition was published in 1988 and much of the information in the book is probably a bit out of date not to mention corporate strategy has changed since but it's ...
