Fool's Errand Meaning. Definition: A pointless task. Origin of Fool's Errand. This expression dates back to the 1700s. However, a similar expression, a sleeveless errand, existed with the same meaning before that. It comes from the meaning of fool, a gullible person, and errand, a task.. Sometimes, experienced people at a job will send new people on a fool's errand as a joke, or as a ...

What Does Fool's Errand Mean? - Writing Explained

A fool's errand is a type of practical joke or prank where a newcomer to a group, typically in a professional context, is given an impossible or nonsensical task by older or more experienced members of the group. Many such errands require the victim to travel some distance and request an impossible object by name; the prank will be widely known within the peer group as an in-joke, and the ...
