Access Free Kenwood Ts 440 Manual

I purchased a TS-440 as an upgrade from my TS-140S. The radio is great, more memory and filter options, AFSK, built in tuner, etc, compared to the TS-140S. However there are some downsides. While the TS-140S has a power slider which is separate from mic gain (good for data modes), the 440 has only mic gain in SSB.
