It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Do old Nintendo Power magazines have any value? User Info: toadhjo. toadhjo 7 years ago #1. I'm trying to clear out my old bedroom, and I need to decide if my old magazines are worth trying to sell, or if I should just toss them in the garbage. I have a lot of Nintendo Powers from the NES and SNES days. Unfortunately, most of them are well worn.
