People who truly are initially just friends or just friendly colleagues slowly move onto the slippery slope of infidelity. In the new infidelity, secret emotional intimacy is the first warning sign of impending betrayal. Yet, most people don't recognize it as such or see what they've gotten themselves into until they've become physically intimate.

Not Just Friends: Summary & Review in PDF | The Power Moves

NOT "Just Friends" is for any man or woman in a committed relationship who interacts with interesting, attractive people. Love alone does not protect you or your partner from temptation. It's not always easy to recognize the thresholds that mark the passage from platonic friend to extramarital affair partner.

NOT "Just Friends" | Book by Shirley Glass, Jean Coppock

...

Not Just Friends I really enjoyed this coming out story. It was just the kind of book I was in the mood for. Very little drama which is what I love because then it is more about the characters and the story. Lewis and Max became great friends and I liked how even though chemistry is flying they still remained friends.
