Racial Ambiguity In Asian American

Racial Ambiguity in Asian American Culture (Rutgers University Press) by Jennifer Ann Ho is a slender monograph that packs theoretical punch. Much of Ho's analysis focuses on interracial family formation, and on the epistemic and identity crises that interraciality entails in an American polity premised on monoracial myths.

Racial Ambiguity in Asian American Culture, by Jennifer Ann Ho

Racial Ambiguity in Asian American Culture. The sheer diversity of the Asian American populace makes them an ambiguous racial category. Indeed, the 2010 U.S. Census lists twenty-four Asian-ethnic groups, lumping together under one heading people with dramatically different historical backgrounds and cultures.

Racial Ambiguity in Asian American Culture on JSTOR

Race is an abstraction that we treat as concrete, a construct that reflects only our desires, fears, and anxieties. Jennifer Ho demonstrates in Racial Ambiguity in Asian American Culture that seeing race as ambiguous puts us one step closer to a potential antidote to racism.

My Racial Ambiguity Taught Me About People And Privilege ...

However, I wonder if it is their racial ambiguity that has attributed to this success. In many other articles, the argument goes that many Asian Americans are finding it difficult to break into Hollywood, and when they do, it is typically in very stereotypical roles — it is hard for them to find success.
